We will meet in the basement of the Capitol near the cafeteria at 10:00 A.M. to lobby for funding TIME 21 PLAN and continued improvement to U.S. Highway 30 across Iowa. You will need to be in the Capitol until 3:15 P.M. A bill(s) will be out of committee's March 6th. We will divide up and contact each senator & rep like we did last year. We must assure votes are there to fund Fund TIME 21. Some of Representatives & Senators along US 30 are not supporting bills. We must convenience them of the importance of funding this bill this year.

You must contact your representative and senator and tell them you will be in the Capitol on Wednesday, March 19th. Please ask them to join you for lunch and later the Ice Cream Social. (Note: Our news letter goes to 55 senators & representatives.) They expect to be invited. This needs to be done immediately so they can set their calendar.

Please bring an easel for displaying new projects along U.S. Highway 30, things happening in your community, or pictures of industries along U.S. 30. All communities need to be represented. Wear named tag if have. I'll bring stickers.

If you have not paid your 2008 membership, please do so at once so we will have the money to pay for the \$3.95 PER PERSON ice cream. Please see enclosed.
